# CALL FOR PROPOSALS

37<sup>th</sup> Annual Meeting

February 22-23, 2003 • Loyola Marymount University • Los Angeles, CA

---

The program committee of the 37<sup>th</sup> annual meeting of the Society for Ethnomusicology, Southern California Chapter (SEMSCC) invites local SEM members, students, faculty, and all others interested in the field of ethnomusicology to submit proposals for papers, panels, roundtable discussions, workshops, film/video screenings, performances, or collective events for the 2003 conference.

As in the past, we prefer not to stipulate any conference themes in advance, instead allowing themes to emerge from the abstracts that are submitted. However, we would like to encourage panel submissions in which three or four papers explore different aspects of a common theme. The program committee also extends a special invitation to local members of the American Musicological Society and Society for American Music to submit proposals that might be of mutual interest.

Proposals from graduate students in ethnomusicology and closely related fields are especially welcome. Graduate student papers are eligible for the Ki Mantle Hood Student Prize (see the guidelines posted on the SEMSCC website at <http://www.ucr.edu/ethnomus/semscc1.html>). We also strongly encourage local faculty and new or visiting scholars to contribute to the program.

**Regular mail:** Please submit four copies of an abstract not more than 300 words long. One copy should have your name, institutional affiliation, and address in the bottom left corner. The remaining three copies should consist of your abstract text only and should not include any identification. Include one copy of the completed *Abstract Information Form* (available at [www.ucr.edu/ethnomus/semscc1.html](http://www.ucr.edu/ethnomus/semscc1.html)).
